chapter list of Chapter Practice

The screenshot shows a web application interface for chapter practice. A modal window titled '章节练习 Chapter practice' is open, displaying a list of chapters. The chapters are numbered 1 through 9, each with a title in Chinese and English, and a count of questions. The first chapter, 'Regulations', is highlighted in yellow. The background shows a blurred view of the main application interface with a sidebar and a header.

章节练习	Chapter practice	普通结构	四级大纲结构
第一章 航空规章	266题 Regulations	未做(240)	已做(26)
第二章 飞机一般知识	404题 General knowledge		
第三章 飞行性能、计划和装载	299题 Flight performance, planning and loading		
第四章 人的行为能力	153题 Human factors		
第五章 气象学	411题 Aviation meteorology		
第六章 领航	154题 Navigation		
第七章 操作程序	291题 Flight operation		
第八章 飞行原理	126题 Flight theory		
第九章 无线电通讯	22题 Radio communication		

Questions in Regulations can switch to English.

The screenshot shows the 'Regulations' chapter practice interface. The page has a dark header with the 'F 飞行之翼' logo and '航培中心'. The main content area displays a list of 14 questions on the left and a single question on the right. The question on the right is '4 我国制定 航空法的首要原则是' (The primary principle for the formulation of the Civil Aviation Law of China is). It has three options: A. 航空主权原则 (Principle of Aviation Sovereignty), B. 安全第一原则 (Safety First Principle), and C. 空中畅通有序原则 (Principle of Orderly and Smooth Air Traffic). The interface includes a 'Change Language' button, a '统计成绩' (Count Results) button, and a 'Switch to English' checkbox. A red callout box points to the '统计成绩' button with the text 'If you want to end your practice, just click here to count your result'. At the bottom, there are 'last' and 'next' buttons, a 'Take notes' button, and a 'Collect this question' button.
